16

17 The parties to this matter hereby respectfully ask that the sentencing in this matter be
18 continued two weeks. The basis for this request is the fact that counsel of Mr. Carreno was out
19 of the state for almost three weeks in May, and was unable to arrange an interview with the
20 defendant and the Probation Officer before he left. Since his return, counsel and the Probation
21 Officer have had difficulty scheduling the interview, and the Probation Officer is now out of the
22 office for at least one week. The parties have discussed having the sentencing continued two
23 weeks to try to get the defendant interviewed and still have enough time for the probation report
24 to be prepared. The parties have stipulated as a result to move the sentencing to August 3, 2011,
25 which appears to be a convenient date for the Court.
